

# CHRISTMAS OUTREACH FOR FAMILIES

Every year St. George's assists families at Christmas by providing them with a Christmas hamper.

**There are several ways you can be involved in this outreach effort.**

1. You can provide financial support by placing a donation on the collection plate, clearly labeled *Christmas Outreach*.
2. You might like to donate a turkey, groceries, new (with tags) children's' clothing, new toys, or diapers.
3. Consider sponsoring a family through your workplace or personally – \$250 covers the cost of everything for a family with several children.
4. Come on Saturday morning, Dec. 17th, to help with wrapping gifts and packing the hampers. Signup sheets are at the back of the church.
5. Join us with your car during the afternoon to help with delivery. Signup sheets are available at the back of the church.
